Returns Home.

H. C. Quicksall, of Brunette, La., who was summoned here to attend the funeral of his father the late Jonathan Quicksall, after a brief visit among relatives and friends in and about Hazel Green, left Tuesday for his home, where he is engaged in a general supply store and in cotton raising. He likes Louisiana very much as a business point, and says if it were possible to have a plantation in that country which could be run by white labor he would be content. But as it is nigger, nigger all the time, he gets mighty lonesome sometimes. Of course he has his wife and her people as immediate associates, but outside that "the colored man and brother" is the whole thing. Mr. Quicksall thinks however, that the outlook for the South is better, and that eventually some class of white labor will be introduced to supplant the coon, when society and other conditions will improve.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at all druggists; price 50c.

Purchased Drilling Outfit.

Mr. Brush, who recently erected the derrick for the Holly Wilson place, has returned from Parkersburg, W. Va., where he purchased a drilling outfit now located in Magoffin. Monday morning teams started to move the machinery to the Wilson farm. Among them were Ellis Johnson and Oscar McNabb's four-horse teams, and the rig will probably be on the ground by the last of next week when drilling will begin in earnest.

Cleared For Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At all druggists, 25 cents.

Uncle Johnney Rose, of Lacy Creek, who has been paralyzed in one side for several months past, was able Sunday to come over to the home of his daughter, Mrs. Ed Cecil, where he is a guest at present. He can't walk much but hobbles about without the aid of a cane.

Get SCOTT'S Emulsion

When you go to a drug store and ask for Scott's Emulsion you know what you want; the man knows you ought to have it. Don't be surprised, though, if you are offered something else. Wines, cordials, extracts, etc., of cod liver oil are plentiful but don't imagine you are getting cod liver oil when you take them. Every year for thirty years we've been increasing the sales of Scott's Emulsion. Why? Because it has always been better than any substitute for it.

Wonderful Meeting.

Undoubtedly the most successful revival meeting ever held in Jackson has just come to a close. From the first service Sunday morning, April 16th, to the last, a sunrise prayer service at the train, Thursday, April 27, the interest was unabated. Rev. Walter Holcomb, who conducted the meeting, is a fearless, earnest, intensely practical preacher. While he boldly denounces sin in high and low he well manifests a deep and tender interest in the sinner. It was truly beautiful to see the pastors and people of all the churches work and pray together for the glory of God in saving our town. Hundreds of Christians have been revived and have reconsecrated themselves to Christ. Perhaps 50 or more have accepted Christ and will unite with the various churches. May God bless Mr. Holcomb for coming to Jackson. —Breathitt County News.

What Others Think.

Preparations are being made for the development of the oil and gas territory around Hazel Green, and in the course of a few days will be the scene of great activity in oil circles. Judging from the indications Hazel Green will easily prove a good oil field as well as a gas field. The two gas wells near Hazel Green are considered the best in the state and are now furnishing the gas for the town and community. Campton, has proved to be a great oil field, and paying wells are being brought in daily. We predict for Hazel Green a great boom and "green oil" in abundance.—Morgan County News.

Now Owns a Grey Eagle Team.

H. F. Pieratt attended court at Campton Monday and while there bought a handsome gray saddle and harness horse of Henry Garrison, known as the "Roy Smith horse." Mr. Pieratt will mate him with the gray he bought of Jack Center, and thinks he will then have the handsomest team in the mountains. It is sure a nice span and if they have the stamina of their illustrious great, great grandsire, Grey Eagle, they will prove worthy scions.

A Bargain.

Some young lady, or married one, for that matter, who is unencumbered with the care of a household can get a bargain by buying out the millinery business of Mrs. F. N. Day, who is forced to quit because she can not give it her attention. She has built up a good patronage and the store is well fitted for the business. House can be rented on easy terms. See her ad.

Card of Thanks.

Through THE HERALD I desire to return my sincere thanks to our friends for their kindness during the illness of my husband, Jonathan Quicksall, deceased, and to the good people of Ezel, especially, for their kindness and sympathy in that sad hour.

MRS. ANNIE QUICKSALL.
